LETTER REGARDING DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

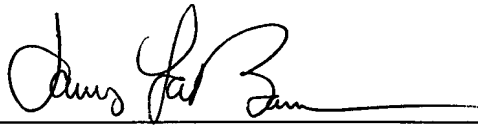

Sir:

The Notice of Allowability dated March 7, 2005 includes a requirement to submit corrected drawings that include the changes required by the Notice of Draftsperson's Patent Drawing Review attached to the Office Action dated January 7, 2004. That Notice set forth objections to the original drawings filed September 29, 2000.

New formal drawings were filed February 28, 2001. It is respectfully submitted that the new formal drawings overcame all of the objections set forth in the Notice, and therefore additional corrected drawings are not needed. If, however, the drawings filed February 28, 2001 contain any informalities, kindly notify Applicant's undersigned representative, and replacement drawings that correct the informalities will be submitted.

Respectfully submitted,
BURNS, DOANE, SWECKER & MATHIS, L.L.P.
